Series "**DIFFERENT TOGETHER**" Part...

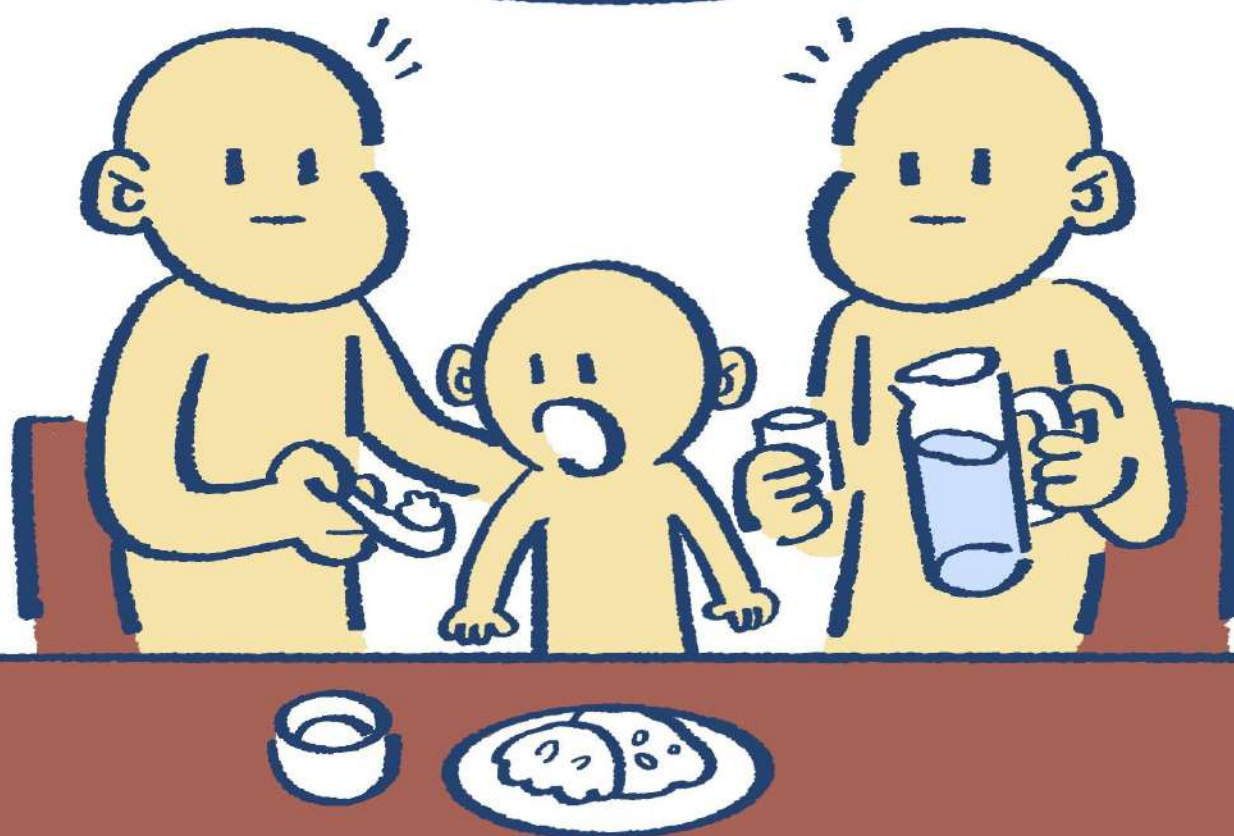

**RAISING
KIDS**

Don't feed.
Let them eat on their own.

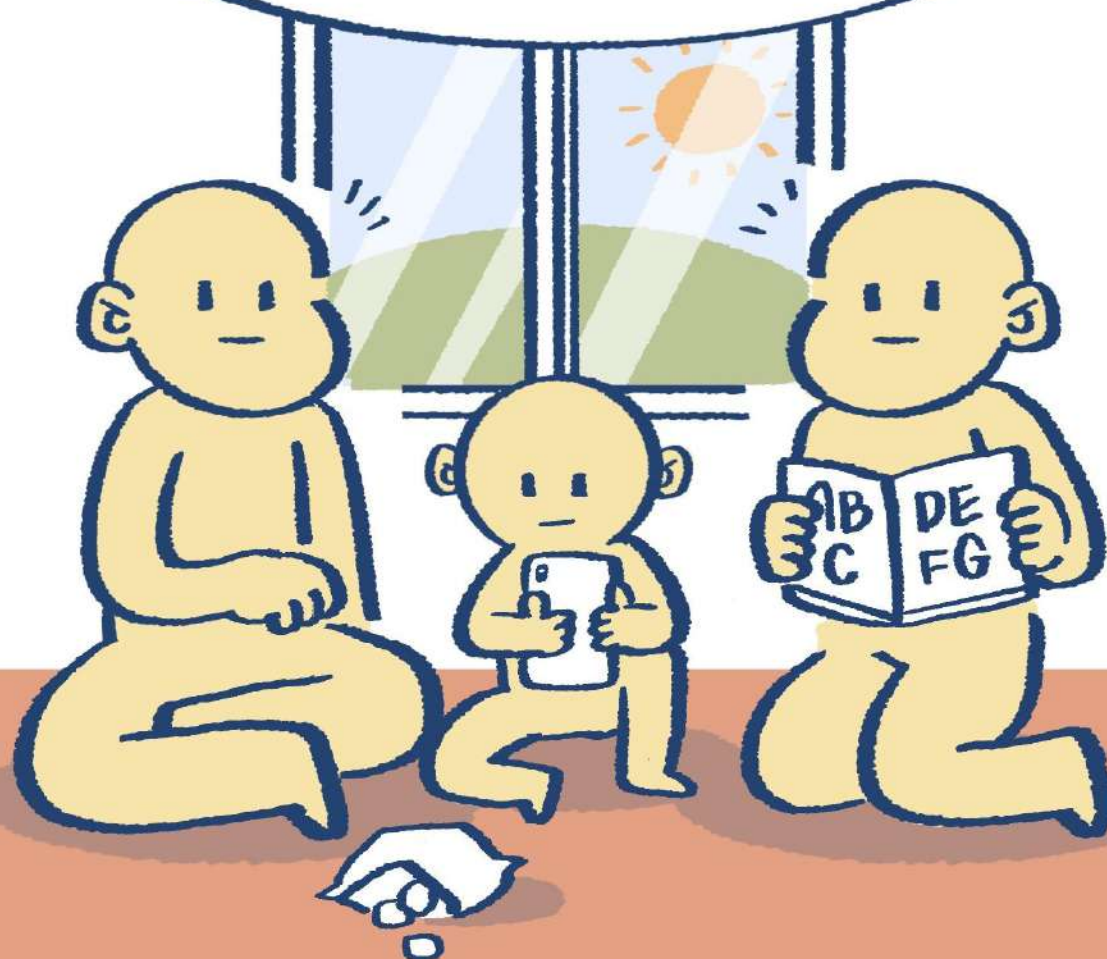

Let them help
with some houseworks.

Let the child go out
and see some world.

Let's try
to let our kid
help oneself.

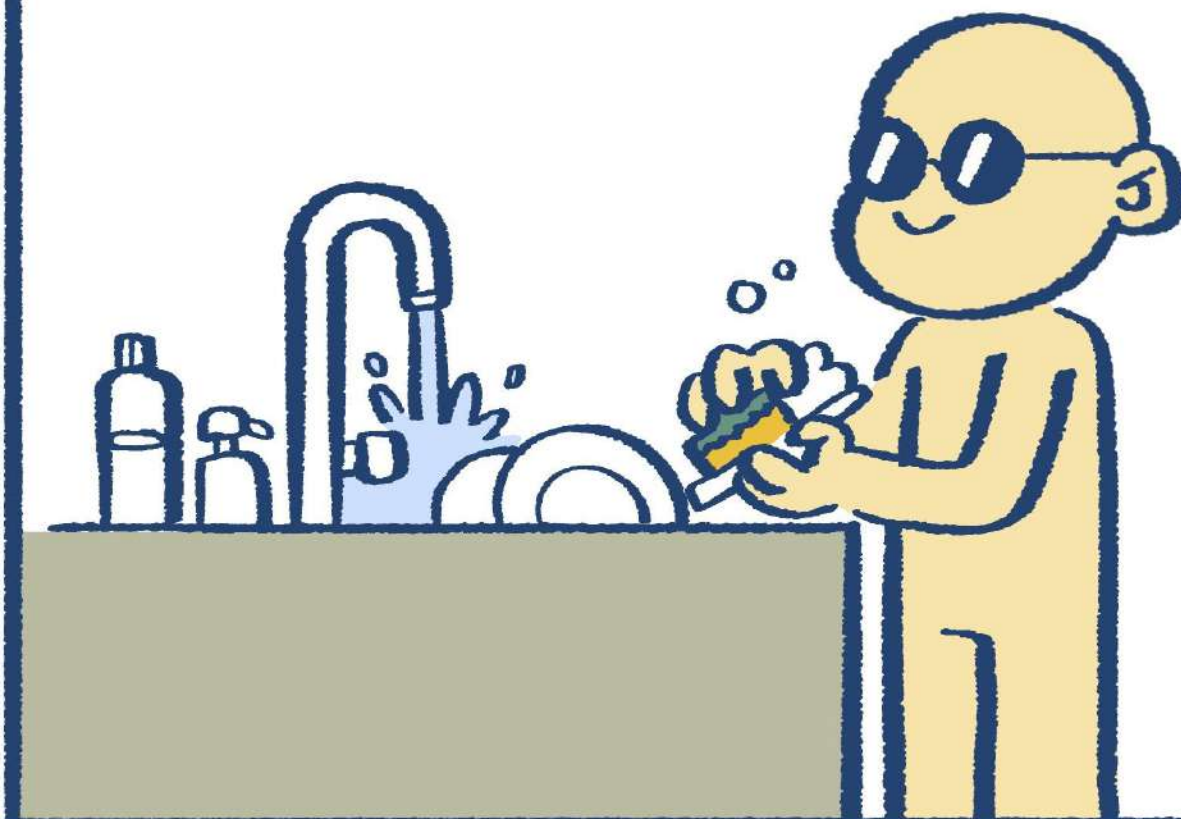

But our kid
is not like
others.

Please believe that no matter what they have,
people with disability can be trained to help themselves.

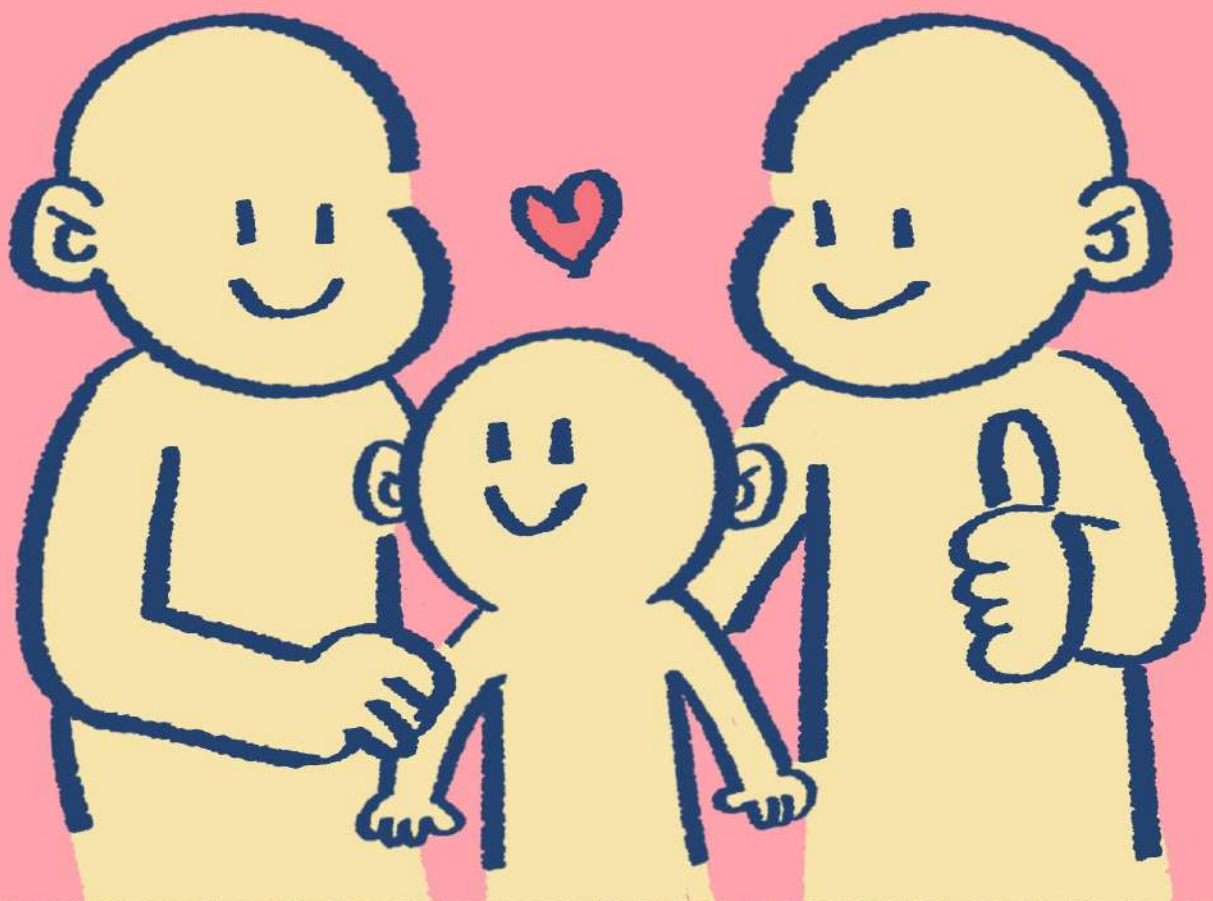

Able to take responsibility.

Let them face the outside world
according to their potential.

Be proud of them,
so they will be proud of themselves.

**Believe and
be patient
until your kid
can do it.**

If parents look down on their children,
the children will not value themselves.

Can I do it too?

Enabling people with disability
to live independently begins with the family.
